

2014 SARP Forum Action Points

1 Media & Publicity

- Improve various Media opportunities and Publicity; utilising social networking and integrating to website and forum portals

2 Simplifying Rules

- Assess current rules over next months to determine if the complexity can be curtailed whilst still maintaining the integrity of the rule set

3 Interaction with Council

- Liaise with relevant SARP/C parties, CAMS (through National Office), ARCOM and Local Government Association to improve council interactions and relationships and formulate a realistic and achievable process for Closed Road Special Stage Rallies

4 2015 SARC Series Rounds

- 4 Rounds agreed upon with all to count. Communicate to all clubs, request expressions of interest and start assigning the rounds and series for 2015

5 Surveying Ex/Non Competitors

- Contact all competitors that are not currently competing in the SARC to determine what reasons or barriers they may have. This will then allow SARP and the Rally community to both understand the issues and help overcome them
